State Court Administrator

March 21, 2018

Although a final vote is still pending, the Senate and the House have reached agreement on the FY 18 de-appropriation. The amount of the reduction for the Judicial Branch is \$1.6 MM. As noted in previous communications, we have been holding positions open throughout the year and have accumulated enough lapsed salary to cover this amount. No other cuts will be needed.

Thank you for your advocacy over the last few months. They were effective in keeping the reduction to this level. We will now turn our attention to securing the funds needed for our FY 19 operations.

Sincerely,
